LEVI GAY, Supt.

County Delegs.

High Water, and no mail on Saturday last—all on account of there being no bridge across Knupp's creek. I understand there will be steps taken at next County Court for building a bridge across Knupp's creek near H. P. McLaughlin's. Brethren, think seriously over the matter and give us a bridge so we can get to the county seat any time.

We will have another railroad some of these days; so let us have good roads and bridges that it can get in.

Some of our roads are in a very bad condition and should be better worked this year than last.

The lumbermen have their logs mostly ready to drive down Greenbrier river.
